A Wild Week Creates Spirit

Never lacking enthusiasm, the M.C.H.S. band members cheered the Mariners on to a 22-3 Homecoming victory over Richmond.

Seniors Kathy Osterman and Heidi Knechtel congratulate Mr. Carlson for participating in Senior Toga Day.

Homecoming King Randy Jones and Queen Dawn Parcell are presented to the crowd during the half time ceremonies.

On Punk Day, Mike Ward dressed as a member of the group, Motley Crue.

On Hat and Shades Day, the efforts of Eric Gunderson and Craig Frank greatly helped the Seniors to overtake the Juniors and Sophomores in a show of spirit.

Layin' It On The Line

Rock-n-Roll was the theme of Spirit Week 1985. Windows were decorated with favorite rock song titles. Spirit Week consisted of three days: Punk Day (won by sophomores), Hat and Shades Day/Senior Toga Day (won by seniors), and Orange, Black and Button Day (won by seniors). Bringing Spirit Week to an end was the pep assembly. It included the crowning of the court, a skit and dance done by the cheerleaders and finally the game competitions. The senior class was the overall winner of the week's activities.

Following the pep assembly, the student body continued to show its spirit by cheering the team to a victory over Richmond.

*Caught at a loss for words
is something rare for
Fred Winzer.*

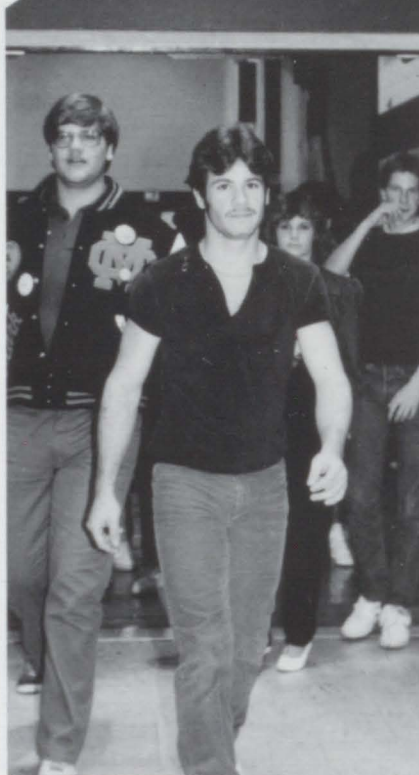

Layin' It On The Line

Individuals is a rare word at Marine City High. The togetherness of each class, and the whole school has proven that the Mariners are more than just individuals.

Friendship is a large part of student life. It can be seen almost anywhere one looks; taking laps at lunch, goofing around between, and sometimes during classes, and supporting the teams at athletic events.

The school may be made up of individual people, but all join together to make these school years special by the friendships formed.

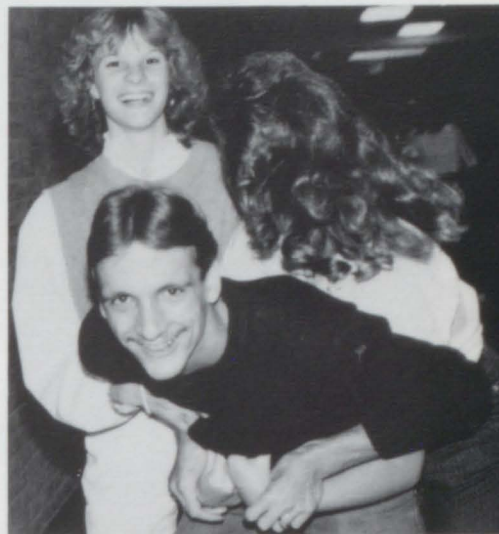

After taking laps at lunch Pat McCarty excitedly hurries to class.

Girls, Becky Luce, Dawn Manter, and Kim Sharrow, really make Matt Beaker's lunch break special.

Individuality Sparks Togetherness

Rather than take laps, Joel Pelath latches onto Denise Dupre and Joann Postalka.

Patti Luce and Heidi Meyer display their friendship and Mariner spirit.

The winning smile of Beth Harrison shows band isn't as bad as it sounds.

Personalities such as Michelle Butlers really shine when you are around friends like Mark Kreusel and Randy Westrick.

Senior Year - Challenges and Rewards

The class of '86 really knows how to show their spirit.

Caught in the hall during class is Senior Denine Salagan.

"I knew I should have taken gym" exclaims Anne Reichle as she slaves over her Calculus book.

"No guys, you're not on the beach yet" exclaims Melanie Plicka as Seniors Pat McCarty and Mark Walczak prepare for their picnic.

Layin' It On The Line

For almost four years, the class of '86 has looked forward to senior year.

Being a senior brings many responsibilities and pressures: career choices, college choices, and lifetime goals. It also offers a great number of rewards: Florida, prom, and graduation.

Many seniors are unsure about graduation and leaving school while others cannot wait to begin their lives. School means the same thing to everyone-making the best of the last year together as the Senior class of 1986.

Team Captain Kevin Dubay grits his teeth as the Mariner offense makes another first down.

The latest fads in jeans kept many students guessing.

Layin' It On The Line

Who influences the ever changing fads? Madonna, Rambo and Prince are only a few stars that have an effect on the way people look and on dress. Some of the "in" looks this year were: over-sized shirts, wide belts, mini skirts, jean jackets and bobbed hair styles. Accessories such as hair bows, colored beads, and bold bright earrings helped give a hip look.

Many stars had a major impact on students this year. Bruce Springstein had been one of the more popular artists. His song "Born in the U.S.A.", gave the sophomore class the inspiration to create the window "Proud to be a Mariner".

Plaid pants and a Madonna bow are in style with Kim Beattie.

A bobbed hairstyle gives Amy Shorkey a new hip look.

Hunk! Funk! Punk!

Creating a style of his own is Bruce Springsteen.

Liz Green added the right accessories to make her leopard skin pants look just right.

Funky earrings are in with Amy Piper.

Underclassmen Make It Happen

After pumping iron, Bill Bostick takes rest.

Lunchtime provides Dave Clemente with a chance to fill his stomach.

The stylish look of Debbie Buckles and Vida Ruggero shows their individual flair.

"Crazy" is the word to describe junior Rick Ouellette.

Layin' It On The Line

The underclassmen were put on a line to keep up with the seniors. Who else would challenge the seniors for the spirit jug? The sophomores, who were excited about the chance to compete against the upperclassmen, were finally ready to prove themselves.

The underclassmen enjoyed a fun filled year. The juniors anticipated ACT and PSAT testing, the prom, and the Rock-a-Thon. The sophomores looked forward to their first homecoming, MEAP testing, and ordering their class rings.

Anxiously awaiting for the return of her Life Science test is Michelle Woycehoski.

Now that the line is clear, Barbara Ward and Amy Bowers finally get to use the phone.

Ron Rhoades pushes over a Lutheran East defender for gain in yardage.

Layin' It On The Line

This year's sports highlight was the varsity football team winning the S.C.A.L. title, the first such accomplishment in forty years. Hundreds of fans jammed the school bleachers to watch the Mighty Mariners win time and time again. The students at M.C.H.S. are very proud of the school sports program. The boys can participate in football, basketball, baseball, track, tennis, golf, swimming, wrestling. The girls can participate in basketball, volleyball, cross-country, track, swimming, softball, and cheerleading. More than one third of the student body took part in sports activities.

Taking his horse toward another victory for the equestrian team is Keith Ski.

Mariner Excellence Shines

Kris Tweddle stretches out before a Cross-Country meet.

V-I-C-T-O-R-Y is a common battle cry for Nicole Grijalva.

The Lancer defense can't block the shot of forward Jennifer Hoft.

Ruth Burmann gets ready to hit another home run.

Ron Wesley concentrates on his discus throwing form.

Taking a break from correcting papers is Mr. Gene Gunderson.

The counselors are a very important part of the staff. They are always there and ready to help with whatever they can. Choosing a career is a big step for all the students at M.C.H.S. for the variety of career choices keep growing each year. Mr. David Scheel and Miss Kathryn Kimmet are happy to point out student's talents, explain how they may be used most effectively, and assist in choosing a suitable career.

The new Apple Computers provide information concerning college costs, courses, and scholarship opportunities. The print outs assist the counselors and students in narrowing the colleges down to make the final selections.

Bright and cheerful describes Mrs. Penelope Burmann, the Geometry teacher.

Mathematical equations are Mrs. Beverly Drews' speciality

Relieved that her highschool Mathematics class is over, is Mrs. Julie Raupp.

Industrial Arts covers a wide area of courses. From Drawing to Metal Shop there is a big difference in materials, but not in skills. In all forms of art there are special and unique skills. The Art classes are experiencing a new way of creating with the Apple II computers they received this year. They have given a new effect to art. With special attachments students can create and print out their materials.

Physical Education is another form of art. With the strenuous work and variety of activities to keep students fit, it is not a likely class to be overlooked.

Showing her friendly smile is Physical Education teacher, Mrs. Margaret Ralston.

Always full of energy and spirit, especially because of his successful football team is Mr. Gerald Warkentien, Physical Education teacher and football coach.

Typing, Accounting, and Business Law are only a few of the courses offered. The instructors really know what they're doing and are always there to help anyone that needs it.

Part of school that isn't so much bookwork is the music department. When the band plays at football games and pep assemblies it gets the crowd fired up.

Students enjoy Chorus because it breaks up the day and gives them a chance to perform in front of an audience. An Honors Chorus was the latest addition to the music department. This group performs at various banquets throughout the community.

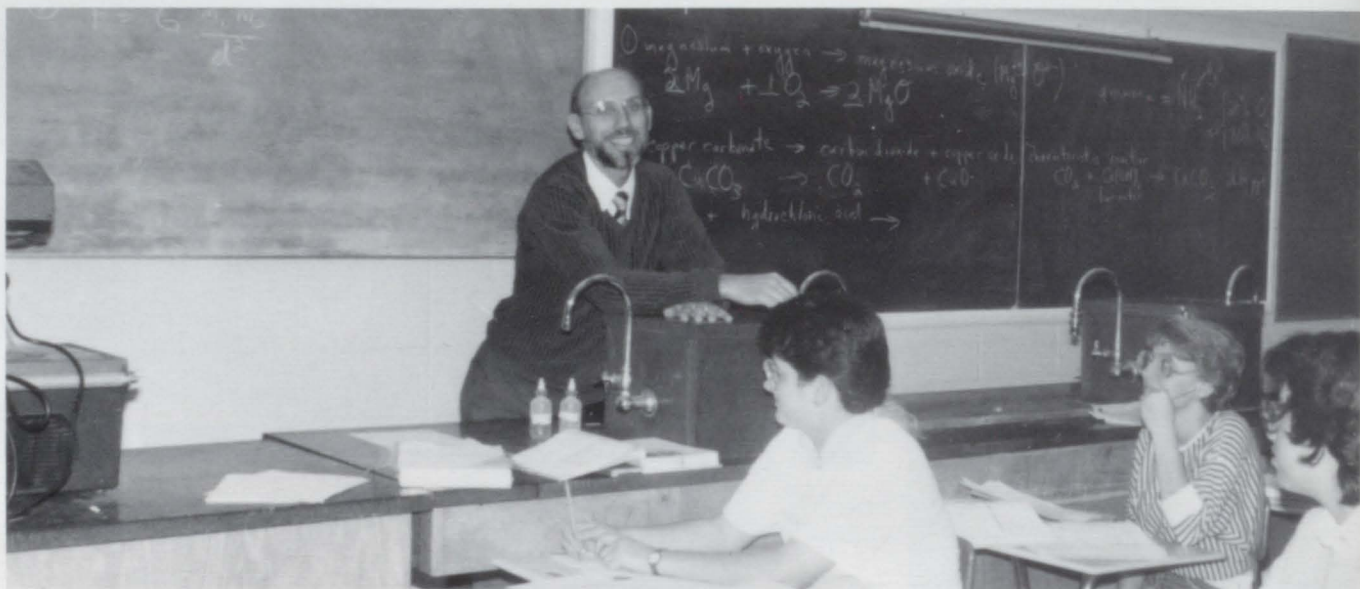

The Office Block class keeps Mrs. Joyce Warner happy as evidence by her big smile.

The Chorus classes are kept busy singing while Mrs. Linda Schneider plays the piano.

Wondering if the kids will ever catch on is Mrs. Jean Bastian, the band teacher.

Many students are interested in the Science courses. There are many different things involved in each one. In Biology the many days of dissection add to the interest of the class. Chemistry, on the other hand, involves the mixing of different chemical substances. Physics deals with things such as force and the speed of light.

Always smiling is Mr. Timothy Carlson, posing with one of his best friends.

Explaining chemical equations to his Chemistry class is Mr. John Depa.

Positive Reactions

There is no bones about it exclaims Mrs. Maryanne Weins.

Checking to make sure all the ingredients are there is Miss Bethany Radtke.

Ready to help John Gerow with his question is Mrs. Lorraine Karasinski.

Always giving a cheerful atmosphere to her English class is Mrs. Nancy Christy.

Kris Lester watches over Mr. Garey Harvey as he corrects Advanced Composition papers.

The foreign language classes have taken a new approach this year. The new technique is called Total Physical Response. With this new method the students' anxiety level is lowered. The students are not expected to do things they haven't had time to learn or understand. Good listening skills and cooperation are both needed from

the students for best results of Total Physical Response. This new method is keeping the attention of students more than the text.

In English the idea of discussion is big. Students have book work and written work but it is usually discussed as a class later. This idea is important in education. Discussion can sometimes give full understanding.

Attentive English students are what keep Mr. Anthony Cavis smiling.

New Methods In Language

Amused by one of his Psychology students homework papers is Mr. Gerald Pasquantonio.

Music and language are all part of Mrs. Jan Hermansen's Spanish class.

The new French teacher, Miss Sharon Choate, is happy to be part of the faculty.

The new method for solving problems caused by students is In-House Suspension. Instead of staying home, they come to school and stay in a specific room, without talking, for the whole day.

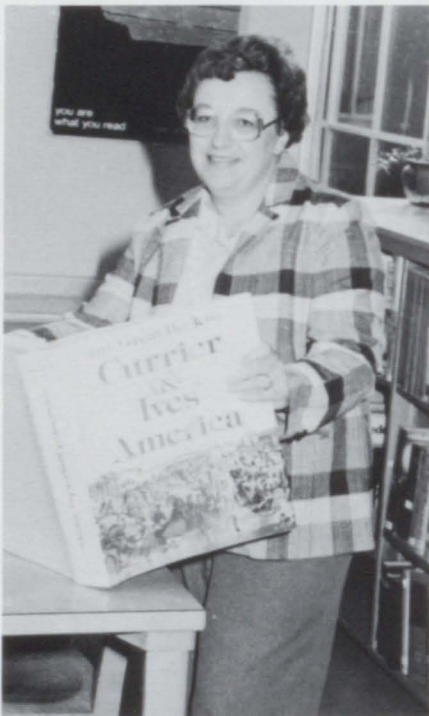

One of the Social Studies classes offered is Government. Every Senior has to take a full semester in order to graduate. They study Federal, State, and Local governments. They learn about Communism, Socialism, and Capitalism.

American studies' students study about the events that happened to make America what it is today.

In addition to government and History, the Social Studies department offers: World History, American History, Current Affairs, Psychology, and Sociology.

Mariner Band

Sparks Spirit

All year long the M.C.H.S. Band has been busy with football half-time shows, parades, and concerts.

This year the Band was lucky enough to have the chance to march at an away football game. The Band gained much experience watching the different techniques of the Fenton Bands during their half-time performance.

We also tried something a little different for our half-time shows during basketball season. We played a variety of Big band Jazz numbers as well as some more popular up beat production type numbers.

The Annual Elementary Concert was also a hit. Where the band plays for the four local elementary schools. The students enjoyed it so much that they sent thank you notes to the band students.

The M.C.H.S. Band also held a raffle which went over very well. The raffle was used to help fund two band camp Scholarships. The winners were chosen at the annual Pops Concert.

Finally, the year rolls by and the Band was at the last concert of the season, where all the members got their Varsity letters and Bars.

The cheerleaders worked very hard to make the Homecoming assembly a success. Organizing an assembly is not an easy task. The cheerleaders kept the spirit flowing while performing a dance routine to "Emergency" by Kool and the Gang. They also did a skit leading us "Back to the Future."

For the first time at Marine City High School, Mrs. Penelope Burmann, Varsity and Junior Varsity coach, held tryouts for basketball season. Four girls were added to the Varsity squad and one was added to the Junior Varsity squad.

The 1985 Junior Varsity cheerleaders started working this summer to get ready for the year of 85'. They attended Pep America camp with the six varsity football cheerleaders. The cheerleaders came home with new routines and cheers. The J.V. cheered during football season and helped with the Homecoming skit "Back to the Future" and the routine "Emergency." Royalty Warms Winter Season

Christmas got off to a good start this year with the annual Christmas parade. Many came to enjoy the parade and catch the Christmas spirit.

The band led the parade and helped get the crowd in the Christmas spirit by playing Christmas carols. Snow King Randy Jones and Queen Jennifer Hart, accompanied by their court, rode through town on a float from Marine City Summer Festival that was decorated with the help of Ralph Nichols. The Cheerleaders and football players were also in the parade along with the Chorus, who rode on a float and sang Christmas carols. Santa Claus made his debut in the parade and found time in his busy schedule to spread Christmas cheer to the student body.

Kris Smith, Lisa Wayburn, and Cindy Klieman are alive with excitement.

Hawaiian shirts help create the party mood for Bob Sharrow, Howard Gauthier and Keith DeNault.

There always seems to be points in the school year when school seems a little overbearing and students need the opportunity to let loose. The dances that are held throughout the year help take care of this need. The Welcome Back dance was the first dance sponsored by the Senior class. The Homecoming dance, given on behalf of the Student Council, was one of the more exciting dances of the year. Couples had the chance to show off dressed in their best. The Winter dance, honoring the Snow Court, was given by all three classes. Just as the winter blahs were starting to close in, the cheerleaders sponsored a Valentines Day dance. The most awaited dance of the year was the Prom, given by the Junior class. The Sophomore class ended the year with the Good Bye Dance.

The Mariners did something this year that hasn't been done in forty years. They won the league championship. The team ended their regular playing season with an 8-1 record, suffering their only loss early in the season against Detroit Benedictine 14-0.

Though the season was filled with many highlights, four major ones stood out. The first was the win over St. Clair (39-14) which captured the Victory bell. The second was the victory over Algonac (71-8) to bring home the brown jug. The 3rd was the win over Richmond. It being two things, one, it was the Homecoming and two, it was the final game before the Mariners took the SCAL. The fourth and most important was the win over Marysville (20-7). This put an end to their 42 game winning streak and nine year domination of the SCAL.

During the St. Clair game, the offensive and defensive lines did an excellent job. By controlling the line it made the running and passing attacks easier. Out of the six times Marine City scored, two were passes, two were runs, one being an interception, and another a field goal. The two passes consisted of a 12 yd. pass from Eric Gunderson to Bill Endres, and a 14 yd. pass from Eric Gunderson to Jeff Hedges. The two runs consisted of an 8 yd. run by Eric Gunderson and an outstanding 78 yd. run by Randy Jones. The interception came late in the second quarter as Bill Endres intercepted a Rancilio pass to run for a 55 yd. T.D. Don Rhoades added a 32 yd. field goal late in the third quarter to make it a final win.

Marine City made official, their first SCAL title in forty years as they had to come back from a 3-0 deficit at the half to beat the Richmond Blue Devils, 22-3. The game also marked Randy Jones breaking 1,000 yds. rushing for a single season. The Blue Devils got the jump on the Mariners with a 30 yd. field goal to take the lead at the half. The Mariners got moving in the third quarter as Darin Brooks intercepted a Schroeder pass, and seven plays later, Randy Jones scored from the one yard line. Darin Brooks and Kevin Dubay added on two more interceptions as Eric Gunderson capped it off with yet another score from the one yard line.

In the Marysville-Marine City game, the showdown game of the year, the Mariners put themselves in the driver's seat for a SCAL title. The Mariners used 8:03 of the clock on the opening drive of the game as Randy Jones capped a 15 yd. play, 80 yd. drive with an 11 yd. T.D. run. All that momentum and excitement on the part of the Mariner crowd subsided as Marysville's Tim Muir took a pitch from Randy Socha on a Marine City kick off and raced 84 yds. for a T.D. A Marysville field goal attempt was partially deflected and sailed into Eric Gunderson's arms, where he returned it 92 yds. for a T.D. After 17 plays and eating up 9:43 on the clock, Randy Jones scored on a fourth and goal. The Marine City team seemed to have no weaknesses and was felt to be a team effort by Coach Jerry Warkentien.

Plugging up the middle are middle line-backers Ron Wesley and Tim McConnell.

The Orange Crush defense holds the Saints on fourth and one.

The sum of a good offensive line, plus Randy Jones's ability as a back produced an excellent run.

Even the outstretched arms of Bill Endres couldn't block this punt against the mighty Saints.

Varsity Takes Regionals

In addition to being the SCAL Champs, the Mariners also went to the State playoffs. No Marine City team in the history of the playoffs had ever gone that far.

The first team the Mariners had to overtake were the tough Fenton Tigers. After a long and hard fought game, it came down to the final minutes with Fenton in possession of the ball. The Mariner's stingy defense soon brought them to a 4th and 5 where Kevin Dubay and Bill Endres made a game-saving QB sack, ending the game 17-13.

The next opponent was Montrose Hill McCloy. The Mariners defense decided to take charge, only allowing one TD early in the 1st quarter on a MC fumble. From then on, the Mariners looked for the big play. Gunderson saw Jones streaking downfield and hit him with a pass, complete for an 84 yd. TD. This set the wheels in motion for another Mariner victory 23-7.

The Mariners faced their toughest opponent of the season, Divine Child. It was predicted, before the game even took place, that only a mental error in either defense would lose the game. That error on the part of the Mariner defense, allowed Falcon QB J. Young to hit T. McClausland with a 38yd. TD pass. Not another advance was made by either team until late in the 4th quarter. Once again, Falcon QB Young hit his receiver for yet another TD pass, putting a cap on the win over Marine City and also their journey to the Silverdome.

Congratulating teammate Randy Jones, after another TD run are: Mariners Ron Wesley and Steve Pondo.

Confirming another Mariner TD, is Bill Endres.

With Coach Warkenrien high on their shoulders, the Mariners celebrate their win over Montrose.

First Year Jitters

This was the first year Marine City had a girls cross country team. The cross country team posted a 2-1 season record and became a team to reckon with in the S.C.A.L.

They had some outstanding performances by Amy Schweiger, Kris Tweddle, and Denise Dupre. Amy Schweiger made first team all-league and Kris Tweddle and Denise Dupre both made second team all-league.

The most exciting meet was when the cross country team beat Cros-lex to take over second place in the league.

Amy Schweiger qualified for the state finals and was voted most valuable player by her teammates.

The 1985 Varsity Cross Country Team members are, across, Nancy Hinckley, Amy Schweiger, Sandy Majors, Denise Dupre and Kris Tweddle.

Striding toward the finish line is sophomore Amy Schweiger.

Sophomore Denise Dupre goes for her best time of the season.

The 1985 Girls Basketball team had a rough season winning only 5 out of 19 games. The record doesn't tell the whole story of the girls season. There were many close games that could have gone either way. Despite the girls enthusiasm and hard playing the luck seemed to go to the other teams.

The girls showed good sportsmanship along with hard playing. Leading the team in scoring was Ruth Burmann with 145 pts., in Rebounds were Jamie Kaufman and Carey Storey with 103 rebounds a piece. Not only did the starters do well but when they were tired their replacements did a fine job.

The 1985 Girls Basketball team has every right to be proud of their season.

Making a shot just out of reach of one of the L'Anse Creuse players is Tracey Stockwell.

J.V. Takes 3rd

The Mariners capped another season with total team effort. They started the season with two straight wins over Luthern East 21-8, and Detroit Benedictine 6-0, before losing to St. Clair 8-22. Their fleet footed offense was led by running backs Scott Grieb, Tim Fasset, Marc Sonnenfeld, and Joe Uppleger who combined equally for the Mariners rushing yardage.

The awesome defense was led by Jay Folske with 38 tackles and 7 sacks. In second place were Scott Greib and Sean Dunn with 36 tackles a piece.

The Mariners finished the season with a 6-2 record leaving the coaches very proud.

High Scoring Best Team In YEARS

The Girls J. V. Basketball team had a great season this year winning their first four games and going to a 11-6 record for 1985.

They played exciting games against Port Huron Northern, South Lake, Lanse Creuse, Armada and Richmond.

The best game of the season was against Marysville where the Mariners almost pulled it out in the final minute of the game but ended up losing 25 to 24. Kathy Meganck, Megan Jurmo and Jill Reichle were the high scorers in the contest.

Kathy Meganck was high scorer for the season and Jill Reichle was high rebounder for the season.

Terry Polio throws a head fake before shooting a basket against Lanse Creuse.

Felicia Huntley goes up strong for two points.

A high score in the final relieves Kristi Lester.

Keith Ski makes a strong finish in the barrel race.

An equestrian meet is made up of many different events and races. The meet will last upwards of a day. It consists of the barrel race, and jumping. Both of these are judged by the times of the horses. On the other hand, the English Equitation, Western Equitation and, the Basic Riding Patterns are judged on the riders more than the horse.

The Equestrian Team had a very productive season. They completed their season with third place in the District. The leading scores were Debbie Senger with 55 points, Kristi Lester with 47 points and, in a close third Laurie Senger with 43 points.

Along with the highlights of the games came highlights of individuals. Eric Gunderson was referred to as "Mr. Versatility" by the Times Herald sports writers. Randy Jones did something no other Mariner has done by breaking 1,000 yards rushing during the regular season play. In addition to this, he was also voted the MVP on the ALL-LEAGUE offensive team and received ALL-STATE honors.

Kevin Dubay dominated the league becoming the MVP on the defensive ALL-LEAGUE team at defensive end.

The Mariners had 13 players make the ALL-LEAGUE team, 7 on defense and 6 on offense.

The list goes on, but no matter how many great athletes stood from the crowd, the Mariners always played as a team.

The girls Cross Country team had a successful season as they finished with a 2-1 record. Amy Schweiger qualified for the state finals and both Kris Tweddle and Denise Dupre won 2nd team ALL-LEAGUE honors. Kris Tweddle was also voted captain by her teammates.

The girls Varsity Basketball team did not fair too well this season as they finished with a rough 5-19 record. Most of the girls games were decided in the final seconds. As it turned out, they usually found themselves at the short end of the stick.

There were, however, a few bright spots individually. Ruth Burmann led the team in points, hitting 145 points on the season. Sophomore Jamie Kaufman and Senior Carey Storey led in rebounds with 103 a-piece.

On the other hand, the J.V. Girls had one of the best seasons ever finishing off the season with a 11-6 record. Kathy Meganck led in scoring, while Jill Riechle led in rebounding.

Carey Storey patiently awaits the opponents serve.

A light tap over the net makes a good offense as shown by Ruth Burmann.

The 1986 Varsity volleyball team had its share of troubles this year. Three ankle injuries suffered by Laurie Prange, Carey Storey, and Michelle Butler were among a few who did their best to compensate for their losses.

The team was led by Captains Ruth Burmann and Stacey Stockwell. The coaching was led by Mr. Charles Wizner and managed by Pam Dombrowski and Michelle Allum.

Leading servers for the Lady Mariners were Ruth Burmann and Tina Yandora with over 150 service points. Ruth Burmann also led the team in blocking contrary to her 5' 3" height disadvantage.

Michelle Faucher and Carey Storey were a great asset to the spiking department, with the assistance of Michelle Butler and Ruth Burmann's setting.

Though the team didn't place very high in the league standings, they placed very high in the effort standings.

Blocked

Not Quite Set

The Marine City J.V. Team had a rough season. It was a relatively young team with the exception of one Junior, Kathy Tweedle.

Some of the key players were Kristi Williams. Jill Reichle, Laura Foucher, Jamie Kaufman and, Rachel Osterland in spiking. The serving leaders were Laura Foucher and Rachel Osterland. Laura Foucher, Jill Reiche and Jamie Kaufman excelled in blocking along with Kristine Williams.

Also assisting the team were the two managers, Pam Dombroski and Michelle Allem.

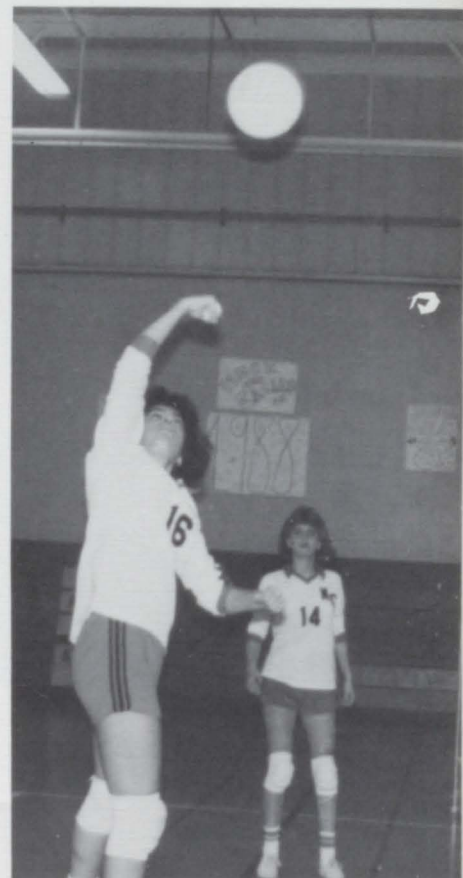

The most exciting game was against Cros-Lex. The girls went into the last match with a tie score of 1-1. They pulled it out by winning the last match.

Not quite enough time for Laura Foucher to set the ball.

Getting position on the ball is Kristine Williams.

Rhonda Hedges makes another powerful spike.

An excellent bump goes to the credit of Rachel Osterland.

Dunk

M.C. Ties Too

Record wise, the Varsity Boy's Basketball team had one of their best seasons ever. The Mariners were one of the favorites for the '86 season but lost some well played games early to St Clair, 74-58, and the eventual S.C.A.L. champions Richmond, 56-46.

After an 0-2 start in the league, assist leader Eric Gunderson and scorers Brian Allen and Bill Endres brought Marine City back, winning four straight league games including one at home against St Clair, 75-58. The Mariners took control of the game early, devastating the boards and making their free throws to clinch the game. This put the Mariners in the race for sole possession or tying for the S.C.A.L. title.

Next came the showdown between the number one ranked Blue Devils vs. the number two ranked Mariners. In front of a packed house at Marine City, the Blue Devils had control of the game until mid-way in the fourth quarter when the Mariners took the lead. With eight seconds left on the clock, Richmond sent the game into overtime. After the O.T. buzzer had sounded, the score read Richmond 71, Marine City 69 which caused the Mariners to settle for a second place tie in the league.

Intense defense is the name of the game for block shot leader Bill Endres.

Going in for another mystery layup is Brian Allen.

Scott Greib jumps high to bring down a defensive rebound against Richmond.

Mariners Make Their Shots

The Marine City J.V. Basketball team had a good season under their new coach Tim Carlson. Their season record was 12-7 and 6-4 in the league.

They played exciting games against South Lake, Richmond, Cros-lex, St. Clair, Algonac and Marysville.

It was a thrilling game against Cros-lex in which they pulled out the win with a third quarter surge 67-52.

They had another interesting game against St. Clair at home which they won 45-43 with two clutch free throws by Mike Ward in the final seconds of the game.

The most impressive game of the season was against Richmond where the Mariners pulled it out in double overtime 61-59. Craig Harris had five key baskets in the game, one of them came with three seconds left in regulation time to put them into overtime and made a free throw with five seconds left to put them into double overtime. Then Eric Miller was fouled and put in two clutch free throws to win the game.

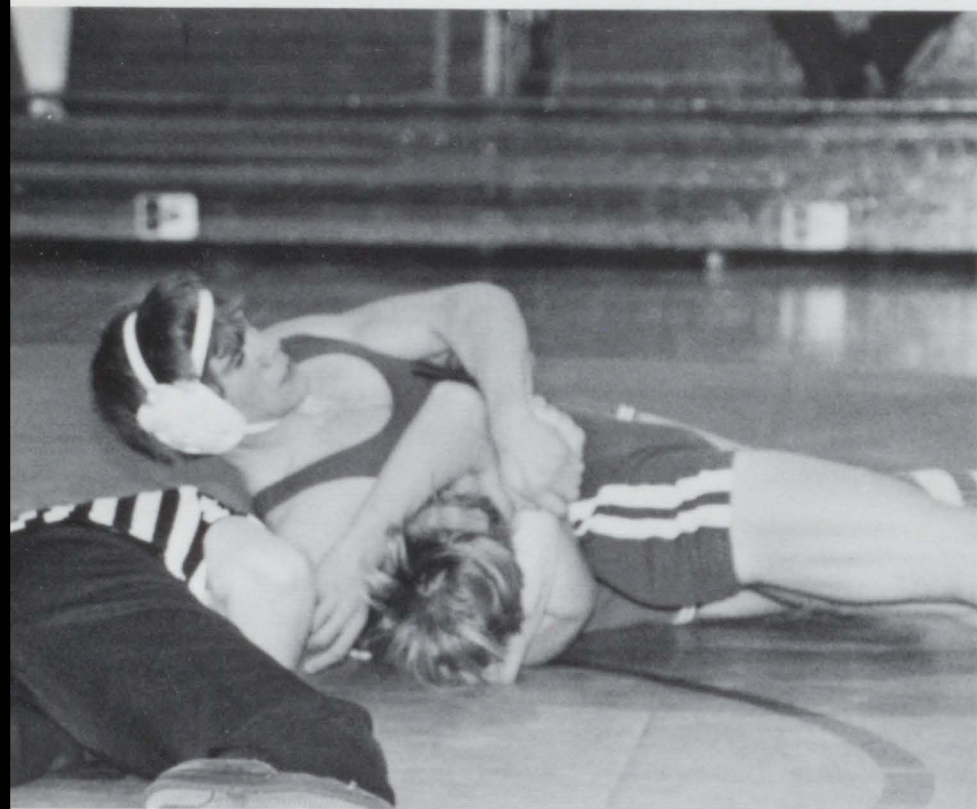

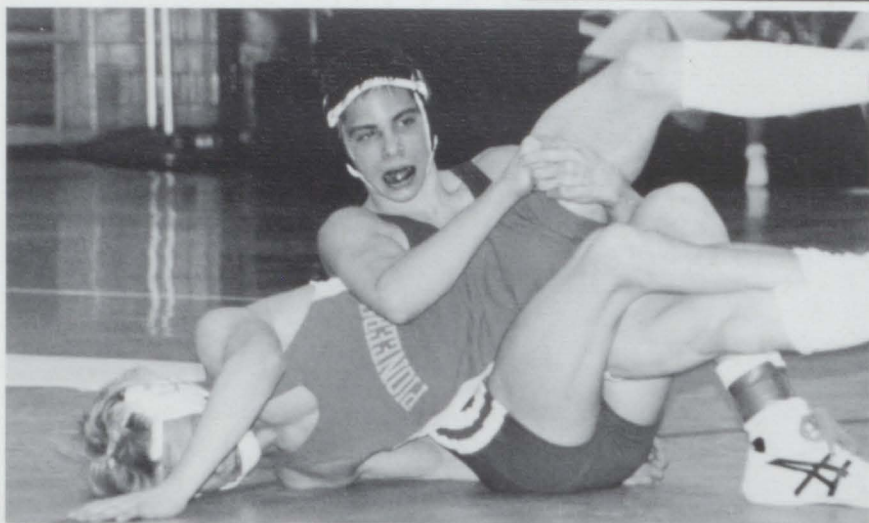

Leading the team in rebounds was Todd Davis with 206. Todd Davis also led the team in scoring with 224 and Eric Miller with assists 76.

Mike Ward sinks another basket from 20 feet.

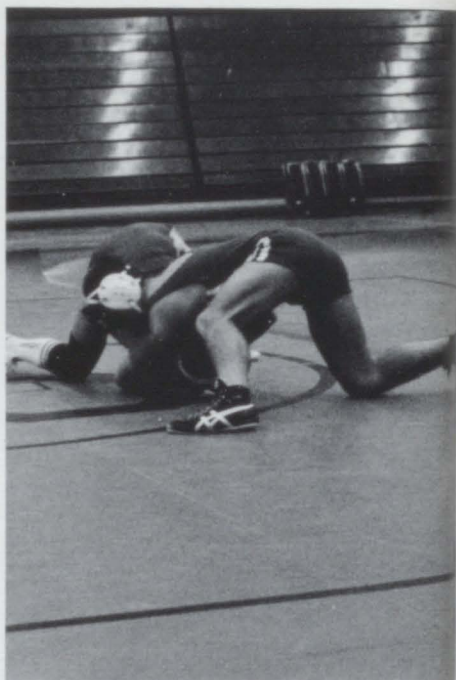

Fighting for position for the rebound is Craig Harris.

S.C.A.L. Champs Again ... And Still Champions

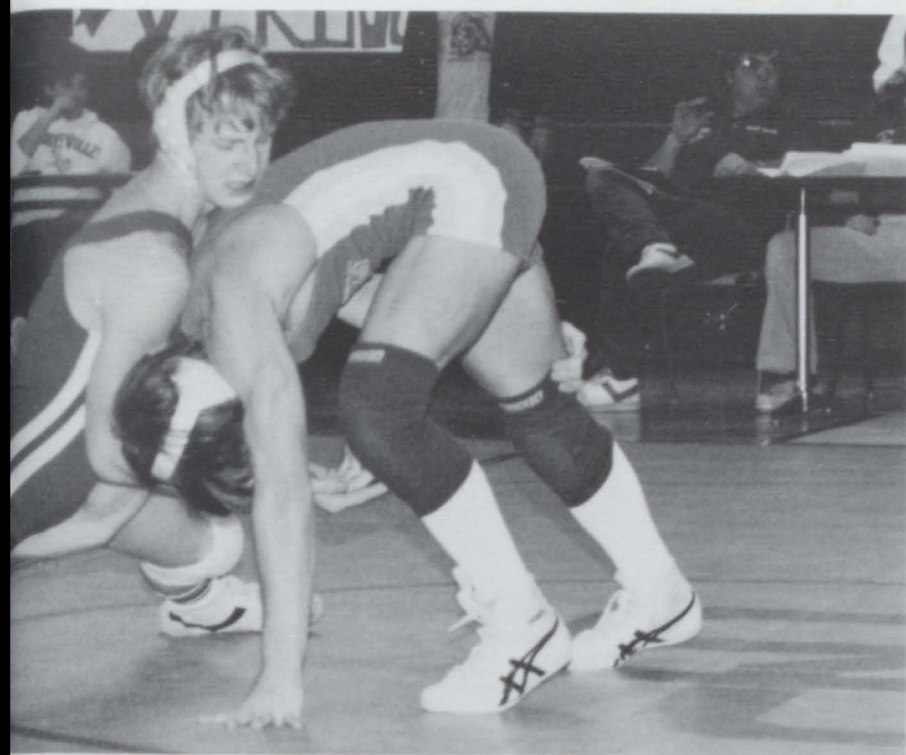

Concentrating to turn his opponent to his back is Senior Tim Romano.

Position means everything, as Senior Art Wirgau tightens the grip on an unfortunate opponent.

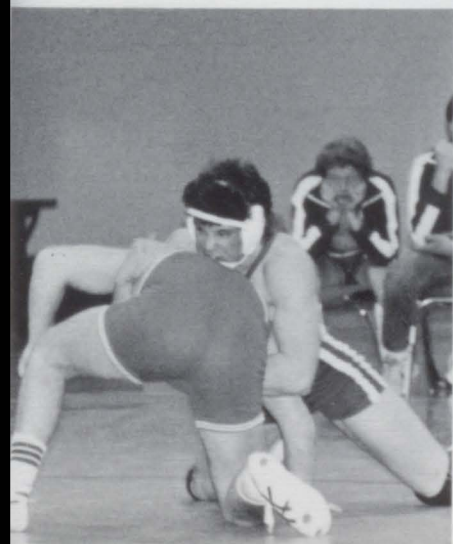

Senior State qualifier Alan Ausmus, controls his opponent in order to work a take-down.

Working to prevent a takedown, Senior Steve Bonser catches his opponent trying to shoot.

The 1986 Mariner Wrestling team consists of: Coach Gerry Pasquantonio, Dennis Woityra, Sol Foster, Kevin Stracher, Ron Rhoades, Bob Broadus, Chris Herbert, Jay Folske and Joe Page. Middle row: Steve Bonser, Eric Camp, Ken Bourlier, Mark Walczak, Dan Davenport, and Kelly Griffin. Front row: Alan Ausmus, Tim Kreusel, Art Wirgau, and Tim Romano.

Sophomore surprise Chris Herbert, proves his potential against all opponents.

The Mariner Wrestling team didn't have much to go on this year, but fortunately the experienced Seniors took over and led the young team to it's third consecutive S.C.A.L. championship. The key this year was the determination that was shown by all the wrestlers and it proved to be a very important factor in their quest for the League title. In the beginning, the team did not have a bright outlook, but that was made up for in the willingness to improve their skills. Many first and second year wrestlers struggled to perfect the moves that are a must in high school competition. Even though the full potential of each wrestler was not developed, their determination and pride shown through giving Marine City High something to look forward to in the coming years. As for the seniors, all the pain and effort that they put into building Marine City's wrestling program will be cherished in scrapbooks, conversation and in memory.

What will be remembered most of the 1986 season is the bitter rivalry with the Algonac Muskrats. In 1984 the Mariners took the League title from the Muskrats who have held it for 10 years before that. Then again in 1985 the Mariners, who were mostly returning lettermen, again layed claims to the League title. The Mariners lost a lot of wrestlers in 85, but the momentum was still there and carried on to this year where, led by captains Alan Ausmus and Art Wirgau, the team pulled together and put the Muskrats along with the other up and coming teams in the S.C.A.L. out of the League picture.

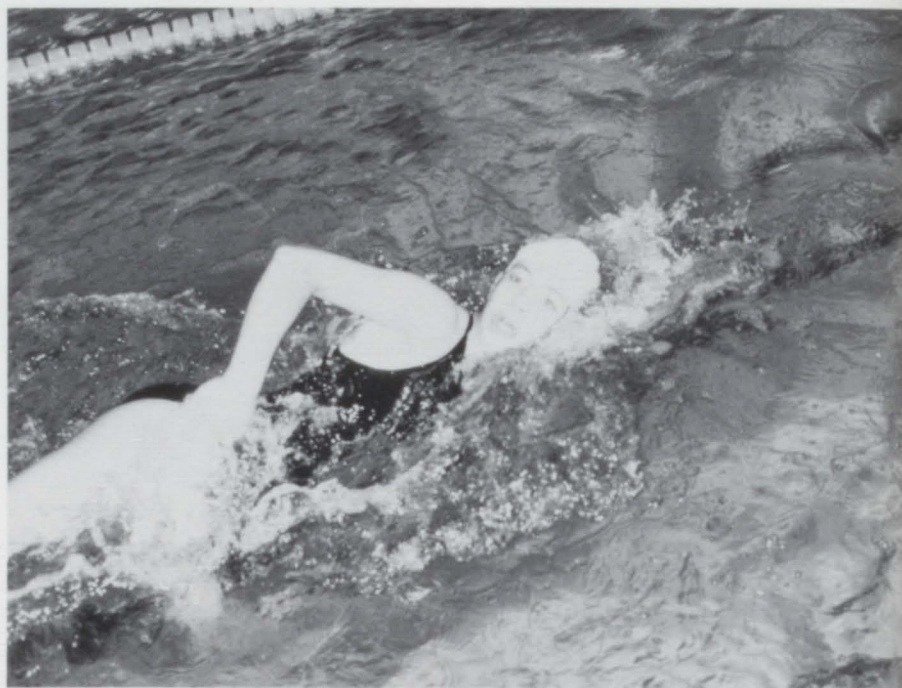

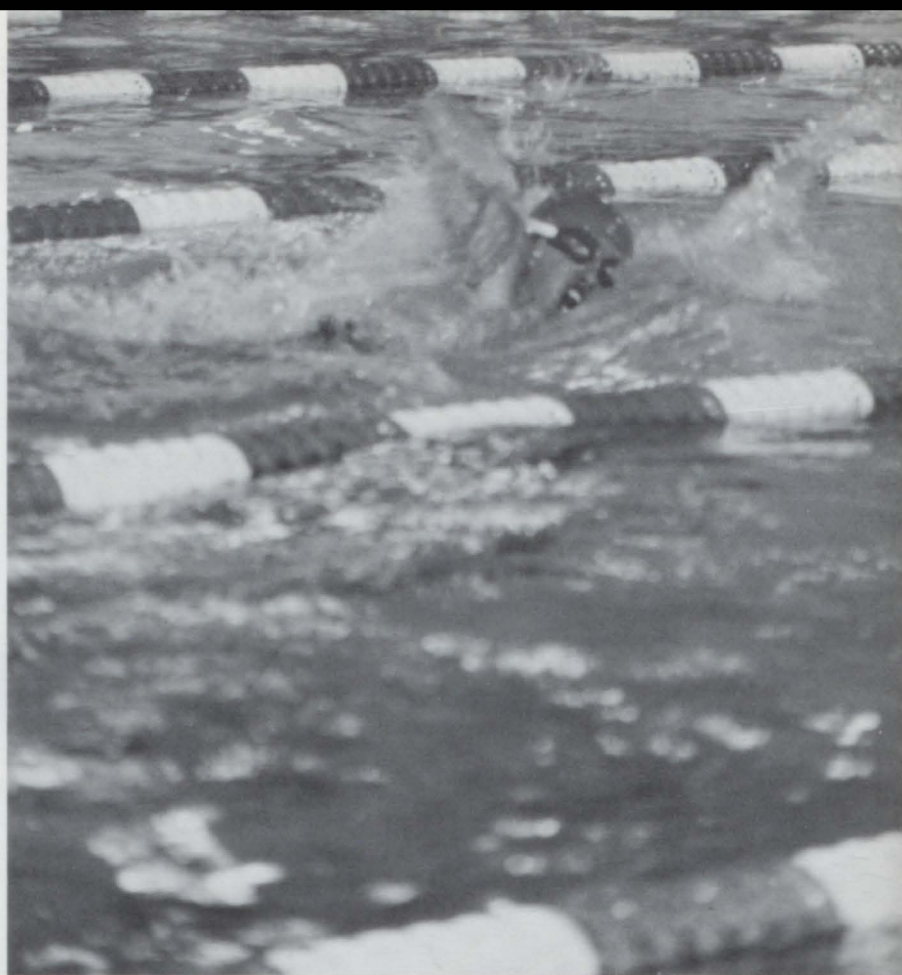

By the end of the season the Mariners were ranked first in the Area by the Times Herald sportswriters in the Final Wrestling Poll. There is plenty to look forward to next year and everyone will remember a championship season in 1986.

Roger Toner heads for another school record.

The Varsity Swim team ended their season with an outstanding 8-6 record. This was one of the best records the swim team has ever had.

Losing the first two meets against Lake Shore and Romeo didn't give the team much hope for the remainder of the season. But they came back and won the rest of their meets, with the exceptions of two Marysville and a split with St. Clair. The team ended the season tied for second in the S.C.A.L.

Throughout the season many team and individual records were broken. Jeff Hager ended the year with two personal records. The first being the 50 yd. freestyle and the second the 100 yd. freestyle. Hager finished with times of 24.4 and 53.0 respectively. Hager was included in the breaking of the 400 yd. free relay with a time of 3:54. Teammates swimming in the race with Hager were: Roger Toner, Randy Westrick, and Jan Olsen. Toner also ended the season with two personal records. One in the 500 yd freestyle with a time of 6:07 and another in the 200 yd. free with a time of 2:01. Pete Workman set the record in the 100 yd. Backstroke with a time of 1:09. Jan Olsen participated for the 1st time and did very well in the Breast Stroke. Co-Captains for the season were Jeff Hager and Roger Toner.

A good rhythmic breathing technique is displayed by Melanie Plichta.

The Varsity Volleyball team had a rough year, falling short of the .500 mark. Team leaders were Carey Storey and Ruth Burmann. Michelle Foucher and Carey Storey led the team in spikes. Burmann and Tina Yandora led the team in serving with over 150 combined points.

After 4 years, the swim team came up with their best season ever. They ended with an 8-6 record. This placed them second in the league. Co-Captains were Jeff Hager and Roger Toner.

Leading the team in scoring and rebounding was Todd Davis with 224 and 206 respectively. Following the regular season, Miller, Davis, and Craig Harris were brought up to the Varsity for District competition.

The Varsity Basketball team finished with a league record of 7-3 placing them 2nd in the S.C.A.L.

They captured the District championship by defeating 1st place Richmond 64-57. At the Oxford Regional Semi-finals, the Mariners were handed a 65-59 loss by Ortonville-Brandon. They ended the season with a 19-5 record. All-league 1st team honors went to Bill Endres, Eric Gunderson, and Brian Allen. All-league second team honors went to Randy Jones. Fred Winzer and Dale Volker made honorable mention.

Ready to steal second base is Becky Osterland.

The 1985 Girls Softball Team had another outstanding season despite their record. Their record of 10 wins and 12 losses hardly shows their effort given throughout the season. They started off the year with two straight wins including an impressive 33-0 win over Holy Cross.

The Mariners had a lack of seniority which left the team a little unexperienced. This proved to be to their advantage as many talented juniors came forth with great accomplishments.

Kathy Osterman, Ruth Burmann, and Nancy Nelson are among the juniors who excelled on the team. These three won second team all-league honors for their positions of pitcher, centerfielder, and catcher respectively. There was some individual effort but the whole squad showed spirit, enthusiasm, and intensity as one.

Ruth Burmann squares off to bunt.

Mariners Take District

The Varsity baseball team started off the season being picked second to last in the preseason standings in the S.C.A.L. The team proved everybody wrong by going 16-8 and winning the district title.

The Mariners had a 13 wins and 3 loss stretch where they beat Port Huron Northern, Algonac, Richmond, St. Clair and Cros-lex. Then blanked Imlay City in both games of a double header.

The team went into the district games being picked as the underdog in the Times Herald. But they proved to be the better team in the upser of Yale 9-3 and Lutheran North 7-1 for the championship. The team was led by the strong pitching of Eric Jurmo and Fred Winzer. They had timely hits by Randy Jones, Jeff Hedges, Tim McConnell, Tom Gardner and Dale Volker.

There were some outstanding individual accomplishments by team members this year. The team was led in batting by Tom Gardner .387 and Tim McConnell with a .370 average. Tim McConnell also led the team in hits with 27 and runs with 24. Randy Jones was voted MVP for the season by his teammates.

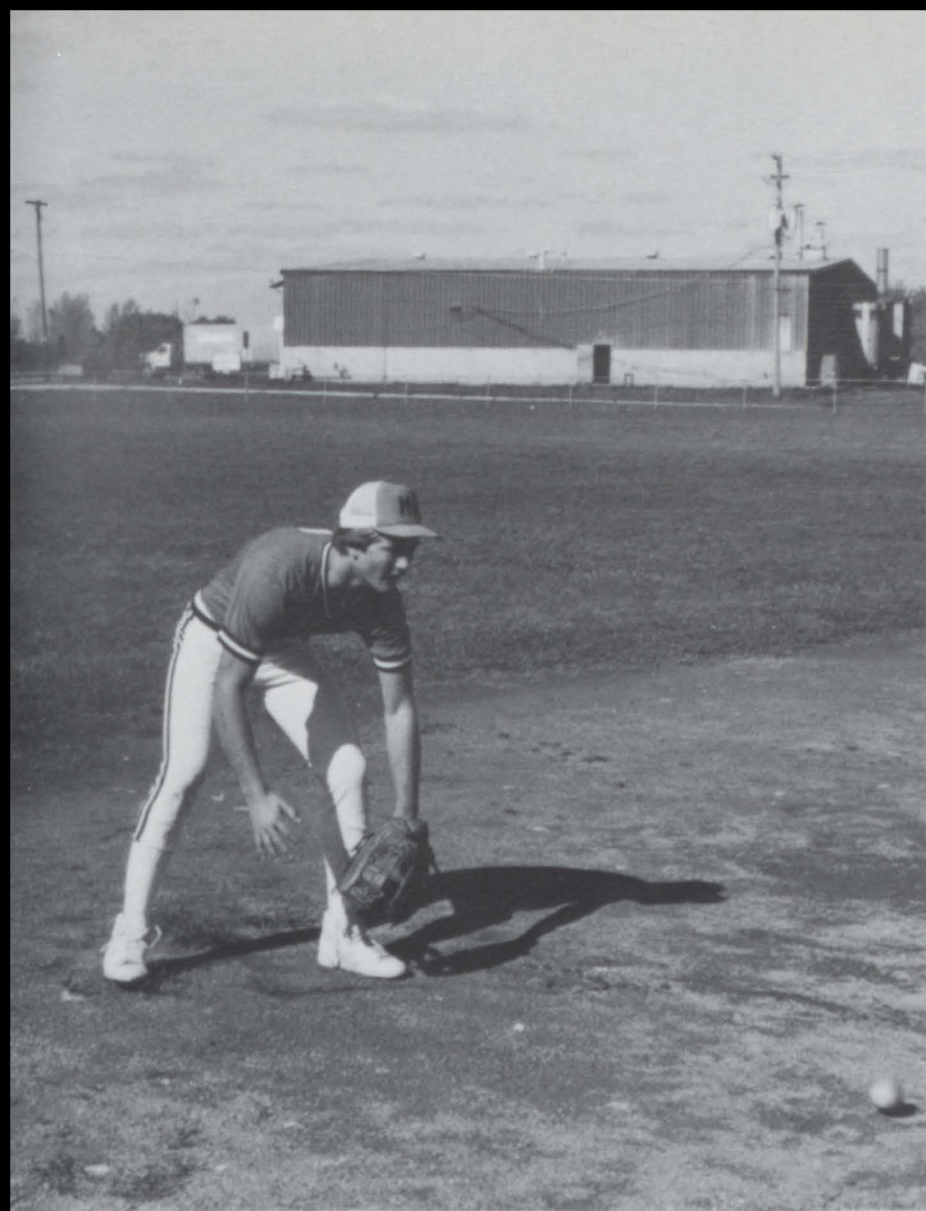

Marine City Varsity Baseball team members are: First Row: Mike Uppleger, Tim McConnell, Randy Jones, Eric Jurmo, Darrin Brooks, Tom Gardner, Top Row: Coach, Tim Carlson, Dale Volker, Fred Winzer, Don Rhodes, Steve Murray and Jeff Hedges.

Getting another base hit is Tim McConnell in a double header against Yale.

"When is it ever going to come", exclaims co-captain Dale Volker.

Striking out another batter is Fred Winzer.

J. V. Baseball members are: First Row: Joe Uppleger, Dale Kuefler, Eric Miller, Mike Furtah, Shawn Dunn, Mark Morse. Top Row: Craig Harris, Mike Nadloskey, Kurt Kammer, Jim Springborn, Bob Danneels, and Matt Rumenapp.

Ken Dubay demonstrates the louder the yell, the farther the throw.

A calm mind and an even pace, keeps Mike White ahead of the pack.

A good release is the key to Ron Wesley's winning shot put toss.

Runners To Your Marks

Mariners Jump The Gun

The boys Varsity Track team ended the season with two wins and five losses. The two wins came against Capac (74-63) and Richmond (90-68). The field events contributed a majority of the points in the win against Capac. Ron Wesley and Ken Dubay took one and two in the shot-put with throws of 45'7" and 44'1" respectively. Jason Girad took a 6'1" 1st in the high jump, falling short of the school record of 6'2".

The win over Richmond came as a team effort. Both sides fought for the lead. It came down to the 2 mile relay. Marine City put together an inexperienced team of Mike White, Mark Sonnenfeld, Joel Pelath, and Dan Atkinson, to win the race and the meet.

Varsity Track team members are: Top row: Coach Steve Dunker, Chris Herbert, Mike White, Ron Rhoades, Matt Beaker, Kevin Sracher, and Ron Wesley. Middle Row: Jason Girad, Jay Folske, Tom VanSlambrouck, Don Gardner, Jeff Hager, and Shawn Porvin. Bottom row: Darin Walkup, Joel Pelath, Mark Sonnenfeld, Sol Foster, and Mark Kreusal.

The art of pole-vauling is made easy by Alan Ausmus.

Joel Pelath sprints to the finish line for another 1st place.

Anxiously awaiting the baton in the 440 relay is Lisa Fausone.

Track is a sport which consists of athletic contests including: foot-races, jumping events, and throwing events. The girls 1985 track season competed hard in each event but, came up short due to their lack of team size. Carey Storey led the Mariners in overall points with 112, while Teri Polio and Denise Dupre also kept the team up with high scores. This year there were 12 returning letter winners who helped to get the Mariners on the right track again. Encouraging the team to do their best were team captains Lisa Fausone and Kris Tweddle.

The members of the 1985 girls track team are: Bottom: Denise Dupre, Melisa Courier, Amy Schweiger, Lisa Fausone, Michele Butler, Teri Polio, Michelle Allam, and Carey

Storey. Top: Coach Leonard Goulding, Felicia Huntley, Chris Simons, Carolyn Jones, Sandy Majors, Heather Bacon, Tammy Olshove, Chris Kaufman, Kathy Tweddle, Kris Tweddle, and Coach Larry Rombach.

On the last leg of the race, Sandy Majors kicks in her speed.

With her great form in the discus, Felicia Huntley throws another 85 footer.

Awesome - Teri Polio crosses the finish line.

Chris Simons is on her way to another victory.

Bad Bounces Racquets Swing Low

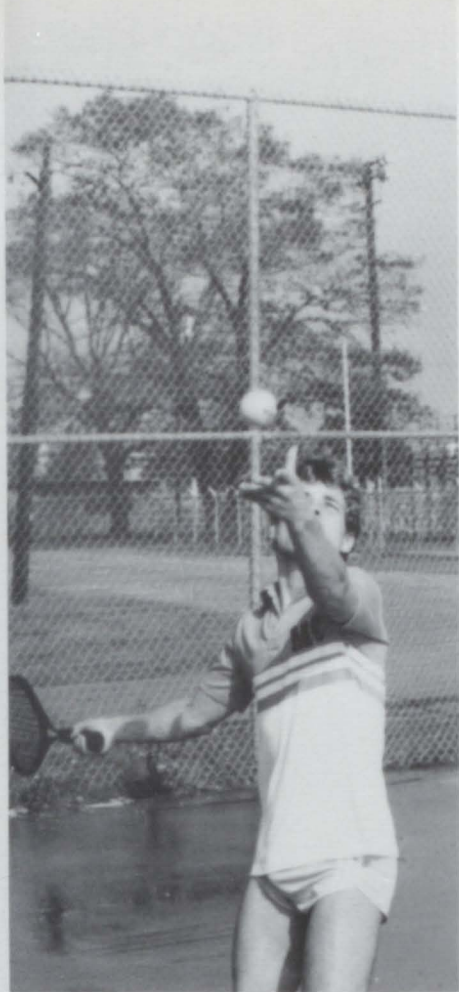

Concentration on the ball helps Chris Powers return the ball with accuracy.

With his racquet at a good level, Matt Gilbert is set to return a serve.

Ready to crack a backhand is Glen Chamberlain.

A good toss is the key to an awesome serve as shown here by Alan Ausmus.

Members of the 1985 Tennis Team are; standing, Melisa Campbell, Fernando Her-
rerias, Art Wirgau, Kris Nelson, Becky Luce,
Rob Lester, Kris Powers, Rhonda Hedges,
Sara Vogel, and Nathie Malayang. Kneeling
are, Tim Romano, Mar Gilbert, Alan Ausmus,
Travis Brazell, Glen Chamberlain, Mike Mer-
cier, Sherry Fassett, and Andy Ausmus.

Great mobility is what helps Tim Romano to return a rough shot.

The Mariner Tennis team had another dismal season. The main reason for not being strong in the past is that they have not had a consistent coach. Last season's coach was Ron Griffor, who was a former graduate from Marine City.

The Mariners finished out the season with a rough 1-12 record. Some of the key players on the team last season were: Glen Chamberlain, who finished with an outstanding 14-4 record, Tim Romano with the next best record at 5-13, and Alan Ausmus and Art Wirgau who played strongly at the singles positions.

Spring Sports Getting Respect

The spring of 1985 has its good times and bad times. The Baseball team had a good time winning their district and going to the regional games. It was the best season they had in 20 years. The team voted Randy Jones as their Most Valuable Player and Randy Jones and Dale Volker were voted team captains for 1986.

The Varsity Softball Team started off their season bright winning four out of their first five games under new coach Marv Osterland. They ended the season with a two game under .500 record. Kathy Osterman was voted Most Valuable Player by her teammates and Kathy Osterman and Jennifer Hart were voted captains for 1986.

The Tennis Team had another rough season winning only one match against Cros-lex 4-3. Glen Chamberlain was voted Most Valuable Player for the season.

The Boys Track Team has a good time in 1985 but didn't win too many meets. They had good individual efforts by Ron Wesley and Ken Dubay who both placed every time in the shot-put and discus.

The Girls Varsity Track Team had a lot of good effort put forth in 1985 but didn't win a meet. Carey Storey led the team in points for the season.

Along with the excitement of becoming part of the high school comes much responsibility. There are many choices to be made, such as which classes to take and what activities to get involved in. We are also faced with the decision of choosing a class ring. For many of us, our class ring is a way of representing ourselves and of recording the memories of high school which we hope to cherish for years to come.

Excited about getting their class rings are Denise Prange and Debbie Senger.

We sophomores showed a lot of spirit during the hard fought battle of spirit week, taking first place on Punk Day.

During the assembly we were fired up and gave the seniors a real run for the spirit jug. We were very enthusiastic and took great pride in being part of the 1985 Homecoming.

For sophomores, our first year in the high school is full of excitement. Taking part in high school activities such as dances, sports, and assemblies is a new and enjoyable experience. Unlike the junior high, in the high school we were given a lot of freedom.

Juniors Rock With Spirit

This year the junior class elected President Kim Sonnenfeld, Vice President Syndi Kliemann, Secretary Kelly McLouth, and Treasurer Heidi Meyer to represent us.

The junior class is responsible for raising money for the prom. To help the cause we sold M & M's and held the sixth annual rock-a-thon with more participants than ever before. Not only did we raise \$1,200, the most money ever, but we also had a lot of fun rocking the day away while teacher-parent conferences took place.

Becoming a junior means realizing that the end of high school is near. Many of us juniors prepare for our futures by going to the skill-center and learning a trade. Others who are planning to attend college prepare for it by taking the PSAT, SAT, and ACT college bound tests.

During the year, we juniors took part in our 2nd homecoming and many more exciting activities! We really enjoyed more freedom with friends, cars, and curfews!

Seniors Show Their Best

For us seniors, Homecoming is one of the most exciting times of our last year.

There were many events to involve the class: painting windows, electing the court, and participating in spirit week. It was a lot of fun dressing up for Punk Day, Black and Orange Day, and what we've all been waiting for Senior Toga, Hat, and shades Day.

We Seniors won the window painting and came out on top in the assembly games.

October 26th was the day we blasted the Richmond Blue Devils with the score of 22-3.

After the game the dance was held and we all participated in celebrating our victory. We danced all night and enjoyed our final High School Homecoming more than any other.

We seniors have always been noted for the excellent participation and pride we have shown for our class.

Painting windows, dressing up for punk day, and wearing funny hats and togas are just a few of the activities that we participated in during spirit week. Even though our class is not the largest, the effort we gave has always made us proud. As a senior, leading the underclassmen, we had a great sense of responsibility. Setting new trends and starting new fads were among a few.

Our year came to an end very quickly. One thing was certain though the spirit of the class of '86 would live forever!

There are many definitions to what senioritis really is. Some feel it is skipping school, or maybe taking two extra lunch hours. Although, this year we the class of '86 gave a new meaning to the word "senioritis".

We tried our best to keep our minds on school. We did a good job, but as soon as we came back from Christmas vacation, the anxiety started to overtake us. Florida was the main conversation in all the classrooms and hallways. Nothing seemed more appealing than spending seven days and six nights on the ocean in Daytona.

During the waiting period before Easter break our Senioritis kept popping up all over the place. Snowball fights seemed to be very popular at lunch time and after school.

There is only one way to end this so called disease, and that is **GRADUATION!**

Classy Officers Keep it Movin

Class business is not the only thing on the minds of class officers, President Kenny Dubay, Vice President Anne Reichle, Secretary Kathy Osterman, and Treasurer Darin Brooks.

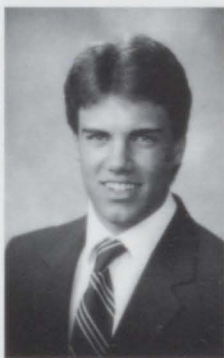

Being a class officer is a very important responsibility especially for the senior class. There are many decisions to be made throughout the course of the year.

Among the many subjects discussed are: class announcements, colors, song and motto. We began the year by sponsoring a dance welcoming the sophomores. We also introduced a new trend - senior class T-shirts.

There are many responsibilities that go along with the job of a class officer. Our president makes sure all the arrangements for our Senior Trip to Daytona are in order. Seeing that everyone is happy with our class announcements and our other class choices are the duties of our vice-president and treasurer. Our secretary has the job of putting important information on the daily announcements.

Behind every team of class officers there are two class advisors that help supervise the class of 1986. Our advisors are Mr. Cavis and Mrs. Burmann. They made sure everything was done and in order.

Thanks to the excellent leadership of our class officers and our advisors the year went by quickly and smoothly.

Being a senior means preparing for graduation and the new life ahead of us after high school. All year, we seniors are busy making future plans for our new lives.

During school, we attend many career awareness programs to help us decide what field we would like to pursue.

Ordering announcements and getting measured for caps and gowns are other preparations we have to accomplish before graduation day arrives.

For the past 3 years, we the graduating class of '86 have been working and preparing ourselves for our final steps toward June 15, 1986. We look positively into the future but will always remember our High School days!

Layin Down The Action

There is much to say about the spirit that has followed the class of '86 throughout the last three years. From the first assembly as sophomores, we have managed to hold and keep the spirit jug in our possession.

The class of '86 has always had a certain pride in our togetherness, when it comes to being rowdy. This year was no exception. Being seniors only made this pride be the best it could be.

For years to come MCHS will be talking about the spirit and pride of the Class of '86. The memories of our spirit assemblies will stay with us forever.

Anxious to find his owner is Senior Slave Bill Endres.

"It's too bad that this is a typewriter instead of a keyboard," exclaims Jeff Osterland.

Taking time out to listen to some tunes are Debbie Ducastel, Cathy Simons, and Heidi Knechtel.

In remembrance of Elizabeth M. Green, we the class of 1986 would like to express our deepest sympathy in the loss of our fellow classmate on November 2, 1986.

"Special" is a word that is used to describe something one-of-a-kind like a hug, or a sunset, or a person who spreads love with a smile or kind gesture.

"Special" describes people who act from the heart and keep in mind the hearts of others.

"Special" describes a precious memory that will stay within our hearts forever, and which can never be replaced.

"Special" is the word that best describes you.

Memories Made In Daytona

Senioritis is a tradition at Marine City High School. However, this year the disease has spread a lot faster than usual. From the beginning of the year, the anxiety of our senior class has slowly risen to the point where Florida is the only thing on our minds.

SYMPTOMS:

- 1) Drowsiness in class
- 2) Getting four or more consecutive E's in a row
- 3) Taking an extra ten minutes at lunch
- 4) Having ten or more tardies in one week
- 5) Shopping for sunglasses in December
- 6) Spending \$200.00 a weekend practicing for Florida

CURE:

A ten day trip to the sunniest, wildest, and most exciting spot to be during spring break.-

DAYTONA BEACH FLORIDA!

CASE CLOSED!

Showing off their surfing skills are Steve Pondo, Joe Bieszczad, and Kenny Dubay.

The formula for Florida is approved by Miss Nancy Nelson.

Amy Piper sits patiently while Nancy Nelson counts down the days to Florida anxiously.

Maui Day allows seniors Jodie Harper, Doug Herbert, Don Dupre, and Pat McCarty to get a little crazy before Florida.

Caught leaving early for Florida is Jennifer Hanes.

A wave to the crowd as he rode out of sight, "Happy Easter to all, I'll be in Florida by night," says senior Kevin Dubay.

1985 was the worst year in history for natural disasters. The earthquake in Mexico City devastated the whole city and the people that live there.

In Africa, famine was still the cause of millions suffering and facing death. It was also the worst year for plane disasters. A dramatic disaster that affected America was the Space Shuttle exploded on January 28, 1986.

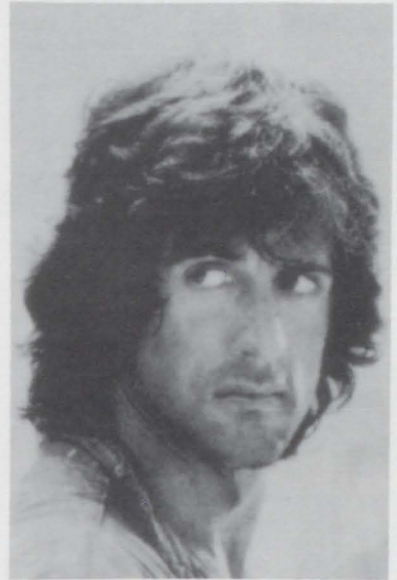

1985 included making teenage idols out of singing star Madonna and Rambo. Many teenage girls took up a style of fashion from Madonna. Rambo touched America's heart as a war hero.

One of the biggest events of the year was the concert Live-Aid. All the profits from this history making event went to benefit the suffering African famine victims.

Princess Di and Prince Charles were in the spotlight this year when they visited America.

Many sports fans were astonished by the "Refrigerator" Perry when he took the NFL by storm. Leading the Chicago Bears to a 1986 victory over the New England Patriots 46-10.

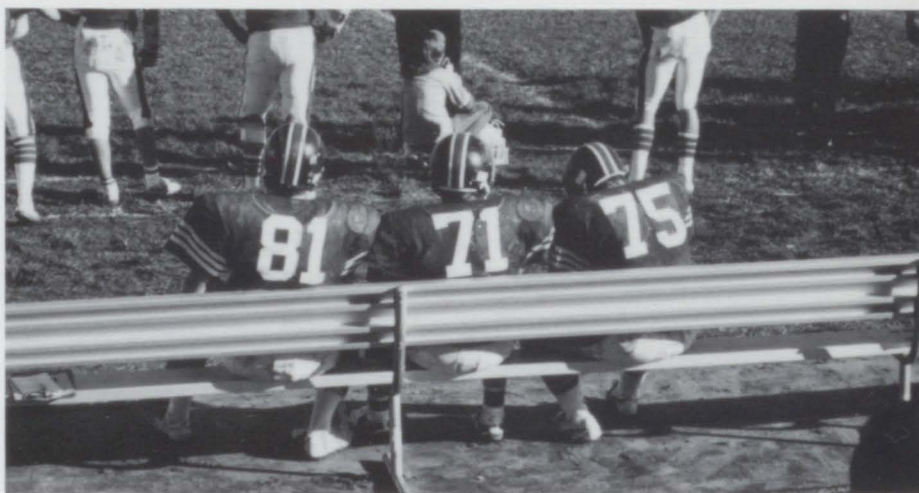

Sweet Dreams

Mariner's Season In The Sun

The Mariners captured their first St. Clair Area League title in forty years, advanced to win their regional championships and made it into the final four in the state. They were ranked No. 1 in the Times Herald Coaches Poll and No. 12 in the State Associated Press rankings. All of this was achieved by a hard-hitting defense, which gave up under 9 points a game, and an explosive offense which averaged over 31 points a game. The team played together as a whole, which led to 13 members of the squad being chosen All-League first team, and 8 members chosen All-Blue Water first team, with 3 additional members chosen All-Blue Water second team.

Sincerely,

James J. Blanchard, Governor
Dan L. DeGrow, State Senator

With his hands raised high, Tim McConnell cheers after the Mariners racked up their third T.D. against Marysville.

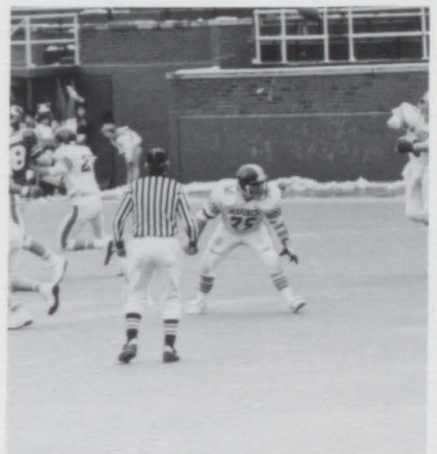

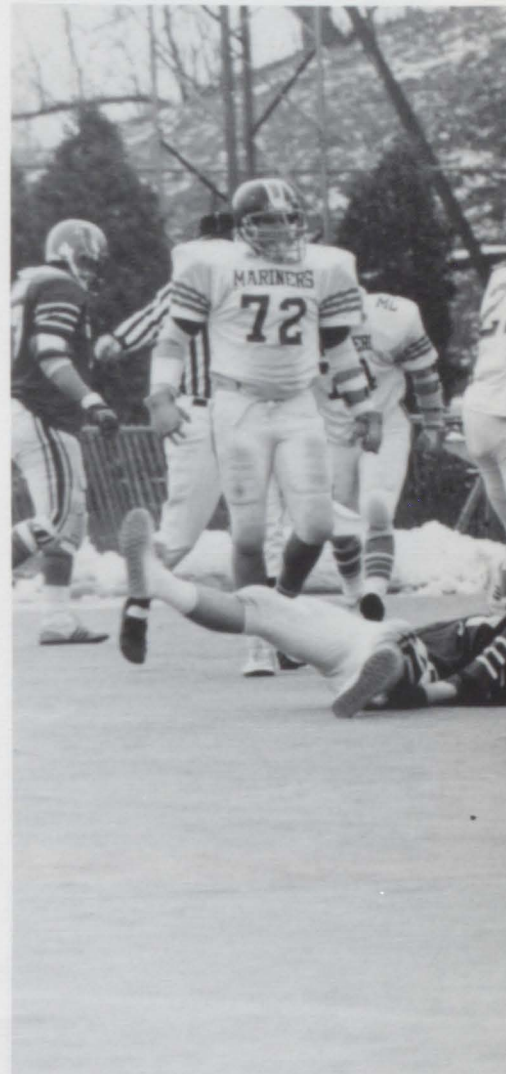

"Hear no evil, see no evil, and speak no evil," are from left to right: Bill Endres, Steve Pondo, and Joe Bieszczad.

A clap and a yell, by coach Warkentin, is all it takes to keep his team alive.

Walking back to the huddle after another defensive play is Kevin Dubay.

Darin Brooks struggles for the first down, to set the Mariners up for a score.

Looking downfield for another person to block is Joe Bieszczad.
